Chairperson - Mrs Debbie Marshall

Spring is here at last, yippee! It has been a very long time coming. First of all we need to say a big thank you to Amber and Mick for running the Lincoln 10K for us which has raised us a lot of money, thank you.

We have Valerie Haslam a Specialist Dyslexia Teacher coming to our next support meeting to do a talk on Phonics. This is suitable for adults and parents with children that have difficulties with reading and spelling. We also have a library if you prefer to come and have a read or play a game or two.

The forms are coming back to us for our Geoff Evans talk about Sensory Issues on Friday 19th July. The booking forms are now available so if you are planning on coming please get yours in quick due to limited spaces, booking needs to be in advance.

Don't forget to come along and support our Summer Bazaar / Craft Fair. There will be plenty to do for you and the whole family.

Bowling is back to popular demand, if you would like to come along to the next one please let me know.

I look forward to seeing you soon.

Famous Schizophrenia Quotes

I don't think I'm easy to talk about. I've got a very irregular head. And I'm not anything that you think I am anyway.

I think young people should have a lot of fun. But I never seem to have any.

I'm sorry I can't speak very coherently.

I do tend to take lines from other lines I like, and then write around them.
