Chairperson - Mrs Debbie Marshall

I hope you have had a lovely summer holiday. I find this time of the year so quiet as people are off on their holidays which is a good thing for me as I am busy with my own children taking them away and out and about.

I am delighted to tell you that I have finished my personal presentation called Don't Judge You Don't Know Me. I have mixed emotions about it as I have now finished it! but I can't wait to deliver it and to hear what other people have to say about it and think of it!

Hopefully you will be able to attend our next social event which will be on Monday 16th September at 7pm. You are very welcome to come along to join in and play games or have a chat. We also have a library if you prefer to sit and read a book.

Don't forget we have our AGM, if you would like to come along you will be very welcome. Please let me know in advance.

THANK YOU!

Famous Dyslexia and ADD Quote

"I have been impressed with the urgency of doing. Knowing is not enough; we must apply. Being willing is not enough; we must do."

"It had long since come to my attention that people of accomplishment rarely sat back and let things happen to them. They went out and happened to things".

"Learning never exhausts the mind".

"Life is pretty simple: You do some stuff. Most fails. Some works. You do more of what works. If it works big, others quickly copy it. Then you do something else. The trick is the doing something else".

Leonardo da Vinci

He was a painter, a sculptor, an engineer, an architect, an inventor, a scientist and a naturalist.
