## Debbie Marshall Chairperson

CANadda had it's AGM and you will be pleased to hear that I will continue for another year as Chair of CANadda. I am so proud to still be doing this role as I have enjoyed the last five years and I hope to still be enjoying CANadda for many more years to come!

If you don't already know I was thrilled to have been asked to do a talk at this years 16th Annual Autism Conference on Wednesday 12th November. My presentation is ready and it is looking amazing!

CANadda's next bowling event has been booked for Saturday 25th October. We still have some money for carers to attend free, this will be on a first come basis. If you haven't already booked please book A.S.A.P.

'Don't Judge You Don't Know Me' We still have a few spaces left if you would still like to come along on Thursday 9th October to hear my Asperger's Talk. Please can you send your form and money in A.S.A.P. Thank you!

We are also going to meet up at the Collection in Lincoln on Saturday 1st November at 10:30am. This is a free event but please bring money for any refreshments that you may wish to have on that day. There is also a gift shop too! Any 16 under attending will need to be accompanied by an adult.

Good news about the Holiday Clubs we are going to allow children from the age of 12+ to come along. Children under the age of 16 will need to be accompanied by an adult. We are looking at making Christmas Cards and something for Halloween. We will also be finding out the overall Mario Kart winner for this year.

Dyspraxia Awareness Week  
(12th –18th October 2014)

**Funky Friday**  
17th October

'There's more to it than just motor skills' That's why the Dyspraxia Foundation – the only charity in the UK dedicated to raising awareness of the condition – will be focusing on teenagers for its 2014 Awareness Week during October. If you are a teen or parent of a teen with dyspraxia, you can help by offering to tell your story.

This year also sees the charity's first **Funky Friday** on 17th October. Why not get involved with this great initiative and raise funds and awareness of dyspraxia by simply wearing your most bright, bold or just plain funky item of clothing to work or school.
