Debbie Marshall — Chairperson

Hi everyone, please be aware I haven't been well and everything is taking me a bit longer to complete than normal. It may take slightly longer for me to reply back to you if you email me.

Our next bowling event will be on Saturday 8 July 2017, Please let me know if you are coming and what food you would like. Please could you let me know by Wednesday 5 July 2017. More details can be found on our closed group Facebook page.

Sadly our last Cuppa Wednesday will be on Wednesday 19 July 2017. We will be back in September 2017. We are only stopping over the summer holidays.

On Saturday 19 August 2017, I am going to complete a unique Mannequin Challenge in the city of Lincoln, I am looking for sponsors. If anyone would like to sponsor me you can either let me know by email or Facebook. Otherwise you can go onto CANadda's web site and make a donation via Paypal. <http://www.canadda.org.uk/>

We are going to be looking at show casing autistic individuals creativity work here on CANadda's web site <http://www.canadda.org.uk/showcase/showcase.htm> if you have any artwork or any other creativity work that you would like us to put on CANadda's website then please let us know.

If you could email us photos and a short description along with your name we will then be able to add your fabulous work.

YOU HAVE NO IDEA

What it means to be gifted with Asperger's Syndrome

Sylvester Stallone

Actor, Dyslexia Quote

“Let me tell you something you already know. The world ain't all sunshine and rainbows. It's a very mean and nasty place and I don't care how tough you are it will beat you to your knees and keep you there permanently if you let it. You, me, or nobody is gonna hit as hard as life. But it ain't about how hard ya hit. It's about how hard you can get hit and keep moving forward. How much you can take and keep moving forward. That's how winning is done!”

AUTISM, LIFE EXPERIENCES AND MENTAL HEALTH IN CHILDREN AGED 4-17

The Autism Research Centre would like to invite you to take part in an online questionnaire about vulnerability in the lives of children with and without autism. You will be asked to complete an anonymous survey about your child which includes questions about autistic traits, mood, life experiences and mental health. The survey will take to 30-40 minutes to complete.

To find out more and take part, click on the following link: http://cambridge.eu.qualtrics.com/jfe/form/SV_e4cplNfCgw7JCbX

If you have any questions, please contact the study team on autism-vulnerability@medschl.cam.ac.uk
